

# *The Secret of Priest's Grotto*

A Holocaust Survival Story

*The Secret of Priest's Grotto* is an epic story of Holocaust survival in which several families of Jews discovered one of the world's longest caves, and took refuge underground for almost one and a half years in order to survive one of the darkest and most horrific times in recent history.

Please join us for a reception and book signing with authors Peter Lane Taylor & Christos Nicola. The authors, avid cavers, bring the story to light with a power point presentation.
